

Hulme Family Association

HFA 100 Club

Would you like the chance to win a cash prize of up to £25 every month?

Would you like to help the Hulme Family Association raise money that will directly benefit your child?

For just £1 per month, you can achieve both of the above with HFA 100 Club.

The money raised by the Hulme Family Association pays for lots of little extras for your children, such as Christmas presents, parties, additional school equipment, leavers' presents and much more. Understandably, many parents simply don't have the time to get involved with the HFA, but you can still play a part in helping to raise extra funds by joining the HFA 100 Club. For anyone not familiar with the 100 Club, the details are outlined below.

We aim to have 100 people as members to whom we allocate a membership number.

A draw is made every month at assembly. The children get very excited about the draw, as three Nursery, Infant or Junior children are chosen to draw out a number each and they eagerly wait to see if their mum's, dad's or grandparent's name is read out as a winner. The three numbers are allocated to 1st prize, 2nd prize and 3rd prize amounting to half the money received e.g. provided there are 100 members the prize money each month consists of £25, £15 and £10. The remaining half of the money is then used by the HFA for the benefit of all the children in the school.

Thank you for your support.
